

Publication of transfers of value to Recipients aims at reporting the values (monetary or in-kind) to Healthcare Professionals and Organisations our company is collaborating / has relationships with, following the objectives and provisions included in the applicable Codes. Individual disclosures have been consented to by individual Recipients – such consent has been given to allow complying with the applicable Codes that our company signed off to. These publications do not grant a general permission for those accessing our websites or the national platforms to undertake additional processing of the Recipient's data. For a good understanding of the reporting included in our disclosures as published on these websites, we refer to the Methodological Notes that clarify the meaning and content of the transfers of value reported.
